Independent Auditors' Report

To the Board of Directors of The Group:

Opinion

We have audited the consolidated financial statements of Feng Tay Enterprises Company Limited and its subsidiaries ("the Group"), which comprised the consolidated balance sheets as of December 31, 2022 and 2021, the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2022 and 2021, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards ("IFRSs"), International Accounting Standards ("IASs"), Interpretations developed by the International Financial Reporting Interpretations Committee ("IFRIC") or the former Standing Interpretations Committee ("SIC") endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Account of Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Revenue recognition

Please refer to Note (4)(o) of the consolidated financial statements for details of the accounting policies on revenue recognition. Please refer to Note (6)(q) of the consolidated financial statements for details of type of operating revenue.

Description of the key auditor matter:

Feng Tay Enterprises Company Limited principally engages in the production and sale of athletic shoes, and its sales revenues are mainly composed of export revenues. On the one hand, transaction terms and conditions impact the timing of revenue recognition for exports. On the other hand, the transfer of control over goods involves uncertainty. Accordingly, the accuracy of timing of revenue recognition has significant influence on consolidated financial statements. Therefore, we considered revenue recognition for sales before and after the balance sheet date to be a key audit matter.

How the matter was addressed in our audit:

In relation to the key audit matter above, our key audit procedures include assessing whether the internal control related to sales revenue recognized by the Group. was appropriate by testing internal control, so as to ascertain the execution and effectiveness thereof; testing export revenues by sampling relevant documents, so as to verify the accuracy of revenue recognition for exports; performing cut-off tests for revenue recognition for transactions in a sufficient period before and after the reporting date, so as to assess whether the timing of revenue recognition for sales was reasonable.

Other Matter

Feng Tay Enterprises Company Limited has additionally prepared its parent-company-only financial statements as of and for the years ended December 31, 2022 and 2021, on which we have issued an unmodified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Regulations Governing the Preparation of Financial Reports by Securities Issuers and IFRSs, IASs, interpretation as well as related guidance endorsed by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing Feng Tay Enterprises Company Limited's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Rou-Lan Kuo and Shu-Ling Lien.

Independent Auditors' Report

To the Board of Directors of Feng Tay Enterprises Co., Ltd.:

Opinion

We have audited the financial statements of Feng Tay Enterprises Co., Ltd. (“the Company”), which comprised the statement of financial position as of December 31, 2022 and 2021, and the statement of comprehensive income, changes in equity and cash flows for the years ended December 31, 2022 and 2021, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and its financial performance and its cash flows for the years ended December 31, 2022 and 2021 in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Account of Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matters, in relation to the financial statements for the year ended December 31, 2022, are outlined as follows:

1. Revenue recognition

Please refer to Note (4)(o) of the parent-company-only financial statements for details of the accounting policies on revenue recognition. Please refer to Note (6)(p) of the parent-company-only financial statements for details of type of operating revenue.

Description of the key auditor matter:

The Company principally engages in the production and sale of athletic shoes, and its sales revenues are mainly composed of export revenues. On the one hand, transaction terms and conditions impact the timing of revenue recognition for exports. On the other hand, the transfer of control over goods involves uncertainty. Accordingly, the accuracy of timing of revenue recognition has significant influence on financial statements. Therefore, we considered revenue recognition for sales before and after the balance sheet date to be a key audit matter.

How the matter was addressed in our audit:

In relation to the key audit matter above, our key audit procedures include assessing whether the internal control related to sales revenue recognized by Feng Tay Enterprises Co., Ltd. was appropriate by testing internal control, so as to ascertain the execution and effectiveness thereof; testing export revenues by sampling relevant documents, so as to verify the accuracy of revenue recognition for exports; performing cut-off tests for revenue recognition for transactions in a sufficient period before and after the reporting date, so as to assess whether the timing of revenue recognition for sales was reasonable.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the investment in other entities accounted for using the equity method to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Rou-Lan Kuo and Shu-Ling Lien.

- Article 2-2: The total amount of the Company's reinvestments may exceed forty percent of the paid-up capital.
- Article 3: The Company is located in Yunlin County. It may set up branches, offices, or contact offices in other locations if necessary for business operation. The establishment, revocation, or modification of the branches shall be implemented by the resolution of the board of directors.
- Article 4: (Deleted)

Chapter 2 Capital Stock

- Article 5: The total capital stock of the Company shall be in the amount of nine billion New Taiwan Dollars, divided into nine hundred million shares, at ten New Taiwan Dollars each.
- They are registered common stocks. The board of directors are authorized to issue in installments, and may be exempted from printing any share certificate for the shares issued.
- Article 6: The shareholders shall report their real names and address to the Company, and fill out a specimen chop card and submit to the company for record. The specimen chop will serve as certification for any receipt of dividends and bonuses or exercise the shareholders' rights. The Company shall go through the provisions of the regulations promulgated by the Competent Authority.
- Article 7: When a shareholder processes the transfer of stock certificates, he or she shall submit the complete transfer application with the signatures or chops of the transferor and transferee to the Company. The original shareholders shall claim the rights of the shares before the transfer is completed. For those who request a name change due to inheritance, the heirs shall submit legal certification documents for the transfer. Registration for transfer of shares shall be suspended for a period of sixty days before the convening date of a regular shareholders meeting, thirty days before the convening date of a special shareholders meeting, or within five days before the date on which dividends, bonus, or other benefits are scheduled to be paid by the Company.

Chapter 3 Shareholders' Meeting

- Article 8: There are two kinds of shareholders' meeting:
1. Regular meeting: convene once a year within six months after the end of a fiscal year.

2. Special meeting: convene whenever necessary according to the laws and regulations.

- Article 9: If for any reason a shareholder may not attend the shareholders' meeting, he or she may appoint a proxy to attend the meeting by providing the proxy form issued by the Company and stating the scope of the proxy's authorization with signature or seal. For regulations on the use of proxy form, please refer to "Regulations Governing the Use of Proxies for Attendance at Shareholder Meetings of Public Companies" issued by the authority.
- Article 10: The meeting shall be chaired by the chairman of the board. When the chairman of the board is on leave or for any reason unable to exercise the powers of the chairman, the vice chairman shall act in place of the chairman; if the vice chairman also is on leave or for any reason unable to exercise the powers of the vice chairman, the chairman shall appoint one of the directors to act as chair. Where the chairman does not make such a designation, the directors shall select from among themselves one person to serve as chair.
The meeting shall be conducted in accordance with the Company's Rules of Procedure for Shareholders Meetings.
- Article 11: Unless otherwise provided for in the Company Act, a meeting of shareholders shall proceed only if attended by shareholders representing more than one-half of the total outstanding capital stock of the Company. Resolutions of a shareholders meeting shall be made at the meeting with the concurrence of a majority of the votes held by the shareholders present at the meeting.
- Article 12: Unless otherwise stated by the law, each shareholder is entitled to one vote for each share held. However, those shares held by the Company itself in accordance with the laws are without voting right.
- Article 13: Matters relating to the resolutions of a shareholders meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chair of the meeting and a copy distributed to each shareholder within 20 days after the conclusion of the meeting. The meeting minutes may be produced and distributed by public announcement. The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their voting results. The minutes shall be retained for the duration of the existence of this Company. The attendance book by the shareholders present and the proxy form by the proxy shall be retained for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

Chapter 4 Directors, Audit Committee, and Managements

Article 15:

The directors shall constitute the board of directors and conduct the business for the company in accordance with the laws and regulations and the resolutions of the shareholders meeting. In accordance with the provisions of the Company Act, the board of directors shall elect a chairman of the board among the directors to externally represent the Company, and may also elect in the same manner a vice chairman of the board.

Article 16:

The board of the directors meeting shall be convened once a quarter. The meeting shall be chaired by the chairman of the board. When the chairman of the board is on leave or for any reason unable to exercise the powers of the chairman, the vice chairman shall act in place of the chairman; if the vice chairman also is on leave or for any reason unable to exercise the powers of the vice chairman, the chairman shall appoint one of the directors to act as chair. Where the chairman does not make such a designation, the directors shall select from among themselves one person to serve as chair.

Article 17:

Except as otherwise stated in the Company Act, a resolution on a matter at a board of directors meeting requires the approval of a majority of the directors present at the meeting that shall be attended by a majority of all directors to open the meeting. The minutes of a board of directors meeting shall bear the signature or seal of the chair and keep in the Company record.

If a director is unable to attend a board of directors meeting in person, he or she shall appoint another director to attend the meeting in his or her place and give to that director a written proxy stating the scope of authorization with respect to the reasons for meeting. A proxy may accept a proxy from one person only.

A board of directors meeting may be proceeded via tele- or video-conference. The directors who attend the meeting via tele- or video-conference are deemed to have attended in person.

Article 18:

The calling a board of directors meeting shall be notified to each director at least seven days in advance. In emergency circumstances, however, a meeting may be called on shorter notice.

A board of directors meeting notice may be sent in writing, e-mail, or fax.

Article 19:

Article 20:

The board of directors of the Company is authorized to handle directors remuneration based on the evaluation of the remuneration committee and the typical pay levels adopted by peer companies.

Article 21:

The Company has several managerial personnel who follow the order of the chairman to conduct the business of the Company. Their rights and obligations are defined in the employment contract.

Article 22:

The appointment and discharge of the general manager and deputy general manager require a resolution approved by a majority of the directors present at the meeting that shall be attended by a majority of all directors.

Chapter 5 Financial Accounting

Article 23:

The Company's fiscal year starts from January 1st to December 31st. After the final counts, the Company shall submit the following to its shareholders for their ratification.

(i) the annual business report

(ii) the financial statements

(iii) the appropriation of profit and remedy in the event of loss proposal.

Article 23-1:

If there is profit at the end of each fiscal year, the proportion of the employees' compensation shall not be less than 2% , and the proportion of the directors' compensation shall not be higher than 1.8%. However, it shall allot a reserve to be

used for making up the accumulated losses before calculating the appropriation. The compensation distribution mentioned above shall be approved by resolution adopted by the board of directors and be reported at the shareholders meeting. The profit mentioned in the first paragraph refers to the profit before tax before deducting the employees' compensation and the directors' compensation.

Article 24: If there is a net income in the final accounts of the Company, shall distribute the balance in the following order after covering its losses:

1. Set aside ten percent of such profits as a legal reserve, and a special surplus reserve shall be increased or rotated in accordance with the law.
2. If there is a surplus still, it shall set aside parts or all of the surplus for the distribution of dividends with the previous annual accumulation of undistributed surplus.

Given the fact that the Company's corporate life cycle is in a stable phase, it shall consider the capital budgeting and the future annual fund needs in response to the long term financial planning, stable growth, and the goal of sustainable operation. The board of directors shall propose a dividend distribution and submit to the shareholders' meeting for review and approval by a resolution. The dividend distribution shall account for more than 50% of the distributable surplus, of which the stock dividends shall not exceed 80%.

Chapter 6 Supplementary Provisions

Article 25: The organizational rules and operational regulations shall be determined by the resolution of the board of directors.

Article 26: In regard to all matters not provided for in these Articles of Incorporation, the Company Act shall govern.

Article 27: These Articles of Incorporation are agreed to by the founder and signed on Jul 15, 1971. First amendment was on Aug 3, 1973...the 40th amendment was on Jun 13, 2019. The 41st amendment was on Jun 17, 2020 and implemented after amendment.

Rules of Procedure for Shareholders Meetings

[Adopted by the shareholders meeting on April 07, 1980]

[Amended by the shareholders meeting on May 18, 1998]

[Amended by the shareholders meeting on Jun 17, 2002]

[Amended by the shareholders meeting on Jun 14, 2012]

[Amended by the shareholders meeting on Jun 13, 2014]

[Amended by the shareholders meeting on Jun 28, 2018]

- Article 1: To establish a strong governance system and sound supervisory capabilities for this Company's shareholders meetings, and to strengthen management capabilities, these Rules are adopted pursuant to the Corporate Governance Best-Practice Principles for TWSE/GTSM Listed Companies.
- Article 2: The rules of procedures for this Company's shareholders meetings, except as otherwise provided by law, regulation, or the articles of incorporation, shall be as provided in these Rules.
- Article 2-1: (Deleted)
- Article 2-2: (Deleted)
- Article 3: Unless otherwise provided by law or regulation, this Company's shareholders meetings shall be convened by the board of directors.
- This Company shall prepare electronic versions of the shareholders meeting notice and proxy forms, and the origins of and explanatory materials relating to all proposals, including proposals for ratification, matters for deliberation, or the election or dismissal of directors, and upload them to the Market Observation Post System (MOPS) before 30 days before the date of a regular shareholders meeting or before 15 days before the date of a special shareholders meeting. This Corporation shall prepare electronic versions of the shareholders meeting agenda and supplemental meeting materials and upload them to the MOPS before 21 days before the date of the regular shareholders meeting or before 15 days before the date of the special shareholders meeting. In addition, before 15 days before the date of the shareholders meeting, this Company shall also have prepared the shareholders meeting agenda and supplemental meeting materials and made them available for review by shareholders at any time. The meeting agenda and supplemental materials shall also be displayed at this Company and the professional shareholder services agent designated thereby as well as being distributed on-site at the meeting place.
- The reasons for convening a shareholders meeting shall be specified in the meeting notice and public announcement. With the consent of the addressee, the meeting notice may be given in electronic form.
- Election or dismissal of directors, amendments to the articles of incorporation, the dissolution, merger, or demerger of the company, or any matter under the Company Act, Article 185, paragraph 1, Securities and Exchange Act, Article 26-1, and Article

43-6 shall be set out and the essential contents explained in the notice of the reasons for convening the shareholders meeting. None of the above matters may be raised by an extraordinary motion.

Article 4: For each shareholders meeting, a shareholder may appoint a proxy to attend the meeting by providing the proxy form issued by the Company and stating the scope of the proxy's authorization.

A shareholder may issue only one proxy form and appoint only one proxy for any given shareholders meeting, and shall deliver the proxy form to the Company, before five days before the date of the shareholders meeting. When duplicate proxy forms are delivered, the one received earliest shall prevail unless a declaration is made to cancel the previous proxy appointment.

After a proxy form has been delivered to the Company, if the shareholder intends to attend the meeting in person or to exercise voting rights by correspondence or electronically, a written notice of proxy cancellation shall be submitted to the Company, before two business days before the meeting date. If the cancellation notice is submitted after that time, votes cast at the meeting by the proxy shall prevail.

Article 4-1: (Deleted)

Article 5: When the Company holds a shareholder meeting, it shall adopt the exercise of voting rights by correspondence or electronic means. A shareholder exercising voting rights by correspondence or electronic means will be deemed to have attended the meeting in person, but to have waived his/her rights with respect to the extraordinary motions and amendments to original proposals of that meeting.

Article 6: A shareholder intending to exercise voting rights by correspondence or electronic means under the preceding paragraph shall deliver a written declaration of intent to the Company before two days before the date of the shareholders meeting. When duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.

After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the shareholders meeting in person, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to the Company, by the same means by which the voting rights were exercised, before two business days before the date of the shareholders meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by correspondence or electronic means shall prevail. When a shareholder has exercised voting rights both by correspondence or electronic means and by appointing a proxy to attend a shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.

Article 7: The venue for a shareholders meeting shall be the premises of the Company, or a place easily accessible to shareholders and suitable for a shareholders meeting. The meeting may begin no earlier than 9 a.m. and no later than 3 p.m.

Article 8: The Company shall specify in its shareholders meeting notices the time during which

shareholder attendance registrations will be accepted, the place to register for attendance, and other matters for attention.

The time during which shareholder attendance registrations will be accepted, as stated in the preceding paragraph, shall be at least 30 minutes prior to the time the meeting commences. The place at which attendance registrations are accepted shall be clearly marked and a sufficient number of suitable personnel assigned to handle the registrations.

Shareholders and their proxies shall attend shareholders meetings based on attendance cards, sign-in cards, or other certificates of attendance. Solicitors soliciting proxy forms shall also bring identification documents for verification.

The Company shall furnish the attending shareholders with an attendance book to sign, or attending shareholders may hand in a sign-in card in lieu of signing in.

The Company shall furnish attending shareholders with the meeting agenda book, annual report, attendance card, speaker's slips, voting slips, and other meeting materials. Where there is an election of directors (including independent directors), pre-printed ballots shall also be furnished.

Article 9: If a shareholders meeting is convened by the board of directors, the meeting shall be chaired by the chairman of the board. When the chairman of the board is on leave or for any reason unable to exercise the powers of the chairman, the vice chairman shall act in place of the chairperson; if the vice chairman also is on leave or for any reason unable to exercise the powers of the vice chairman, the chairman shall appoint one of the directors to act as chair. Where the chairman does not make such a designation, the directors shall select from among themselves one person to serve as chair. If a shareholders meeting is convened by a party with power to convene but other than the board of directors, the convening party shall chair the meeting. When there are two or more such convening parties, they shall mutually select a chair from among themselves.

The Company may invite its attorneys, certified public accountants, or related persons retained by it to attend a shareholders meeting in a non-voting capacity.

Article 10: The Company shall make audio and video recording during the shareholders meeting. The recorded materials of the preceding paragraph shall be retained for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

Article 11: For the attendance at shareholders meetings, the attending shareholders (or proxies) shall hand in the sign-in card. The number of shares in attendance shall be calculated according to the shares indicated by the sign-in cards handed in plus the number of shares whose voting rights are exercised by correspondence or electronically. The chair shall call the meeting to order at the appointed meeting time. However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than one hour, may be made. If the

quorum is not met after two postponements, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Article 175, paragraph 1 of the Company Act. The effectiveness and enforcement of the tentative resolution shall be adopted in accordance with the Company Act.

When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of issued shares, the chair may resubmit the tentative resolution for a vote by the shareholders meeting pursuant to Article 174 of the Company Act.

Article 12: If a shareholders meeting is convened by the board of directors, the meeting agenda shall be set by the board of directors. The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders meeting. The provisions of the preceding paragraph apply mutatis mutandis to a shareholders meeting convened by a party with the power to convene that is not the board of directors.

The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the shareholders meeting. If the chair declares the meeting adjourned in violation of the rules of procedure, a person shall be elected as a new chair by agreement of a majority of the votes represented by the attending shareholders, and then continue the meeting. After the meeting adjourned, the shareholders shall not appoint another chair to continue the meeting at the original or new location.

Article 13: Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the chair.

A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail. When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the shareholder that has the floor; the chair shall stop any violation.

Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the chair may terminate the speech.

A juristic person may only appoint one representative to attend a shareholders meeting, and only one representative so appointed may speak on the same proposal.

After an attending shareholder has spoken, the chair may respond in person or direct relevant personnel to respond, or handle expediently by the situation.

Article 14: When the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed and call for a vote.

Article 15: With respect to resolutions of shareholders meetings, the number of shares held by a shareholder with no voting rights shall not be calculated as part of the total number of issued shares.

When a shareholder is an interested party in relation to an agenda item, and there is the likelihood that such a relationship would prejudice the interests of this Corporation, that shareholder may not vote on that item, and may not exercise voting rights as proxy for any other shareholder.

The number of shares for which voting rights may not be exercised under the preceding paragraph shall not be calculated as part of the voting rights represented by attending shareholders.

With the exception of a trust enterprise or a shareholder services agent approved by the competent securities authority, when one person is concurrently appointed as proxy by two or more shareholders, the voting rights represented by that proxy may not exceed three percent of the voting rights represented by the total number of issued shares. If that percentage is exceeded, the voting rights in excess of that percentage shall not be included in the calculation.

Article 16: A shareholder shall be entitled to one vote for each share held, except when the shares are restricted shares or are deemed non-voting shares under the law.

Except as otherwise provided in the Company Act and in this Corporation's articles of incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. At the time of a vote, the shareholders shall vote for each proposal. After the conclusion of the meeting, on the same day it is held, the results for each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered into the MOPS.

When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.

Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all monitoring personnel shall be shareholders of the Company. The results of the voting shall be announced on-site at the meeting, and a record made of the vote.

Article (Deleted)

16-2:

Article 17: The election of directors at a shareholders meeting shall be held in accordance with the applicable election and appointment rules adopted by the Company, and the voting results shall be announced on-site immediately, including the names of those elected as directors and the numbers of votes with which they were elected.

The ballots for the election referred to in the preceding paragraph shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company

Act, the ballots shall be retained until the conclusion of the litigation.

Article 18: Matters relating to the resolutions of a shareholders meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chair of the meeting and a copy distributed to each shareholder within 20 days after the conclusion of the meeting.

The Company may distribute the meeting minutes of the preceding paragraph by means of a public announcement made through the MOPS.

The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their voting results. The minutes shall be retained for the duration of the existence of this Corporation.

Article 19: When a meeting is in progress, the chair may announce a break based on time considerations. If a force majeure event occurs, the chair may rule the meeting temporarily suspended and announce a time when, in view of the circumstances, the meeting will be resumed.

Article 20: The attending shareholders shall be obligated to follow the rules of the meeting, resolutions, and maintain orders at the meeting place.

The chair may direct the proctors (or security personnel) to help maintain order at the meeting place. When proctors (or security personnel) help maintain order at the meeting place, they shall wear an armband bearing the word "Proctor" (or security personnel).

At the place of a shareholders meeting, if a shareholder attempts to speak through any device other than the public address equipment set up by the Company, the chair may prevent the shareholder from so doing.

When a shareholder violates the rules of procedure and defies the chair's correction, obstructing the proceedings and refusing to heed calls to stop, the chair may direct the proctors or security personnel to escort the shareholder from the meeting.

Article 21: These Rules shall take effect after having been submitted to and approved by a shareholders meeting. Subsequent amendments thereto shall be effected in the same manner.
